

Checklist to Review an Institution- or Program-level Draft of Learning Outcome Statements

	Describes what students should represent, demonstrate, or produce?	Relies on active verbs?	Aligns with collective intentions translated into the curriculum and co-curriculum?	Maps to curriculum, co-curriculum, educational practices?	Is collaboratively authored and collectively accepted?	Incorporates or adapts professional organizations' outcome statements when they exist?	Can be assessed quantitatively and/or qualitatively?
