

St. Lawrence University Oral Communication Institute

Fall 2003

Reflective Conversation Worksheet

OCI course _____

Semester _____

1). Learning Context

What are the learning experiences you want your student to have?

- **Talk about the oral communication objectives of the assignment/course.**
- **Describe what the students need to know, do, or think about in order to succeed as they work through the assignment/oral communication components of the course.**

2). Procedure

What takes place during the assignment/particular class/course?

- **Describe what you (as the instructor) do. Explain the pedagogy.**
- **Describe what the students do. What do you expect to happen?**
- **How do the faculty-student or student-student interactions enhance learning?**

3). Assessment Plan

What evidence will you look for in order to know whether students progressed in their oral communication strategies and skills in the ways you hoped?

4). Resources

Note the resources needed to complete the learning experience (*e.g.*, texts, web sites, videos, etc) for you and for the students.

5). Reflection

What have you learned about particular teaching strategies?

- **How was the assignment/class/course viewed by your ‘peer partner’?**
- **What did you gain from the partnership process?**
