These guidelines specify what types of jobs and the hours of work a minor child may perform. Some of the limitations are listed below. A complete listing can be obtained from the Human Resources Department, Vilas Hall G2 (229-5596). Please contact Human Resources for all inquiries relating to employment of a child under the age of 18.
- ❑ Minors under the age of 18 must provide working papers. These can be obtained from the nurse at the appropriate high school.
- ❑ Minors under the age of 18 may not work in hazardous environments or operate machinery (i.e.: lawn mowers, shredders, dish washing machines, etc.). Please contact Human Resources for a complete listing of prohibited occupations.

The employee's responsibility

- ❑ SLU students hired are required to file appropriate paperwork with the Financial Aid Office. They will be placed on the SLU student payroll.
- ❑ Non-SLU students, graduate students and other new hires are required to file appropriate paperwork with the HR office [Vilas G2], including a completed SLU Employment Application. They will be placed on the bi-weekly payroll. A timesheet will be generated for each employee to record daily hours worked.
- ❑ As a result of the Immigration Reform and Control Act, the St. Lawrence University Human Resources department collects and retains I-9 forms on current employees. The I-9 form ***must be completed within three days of date of hire*** for all employees, unless the term of employment is less than three days: in that instance, the I-9 must be completed on the date of hire.

Hiring Department's Responsibility

- ❑ An employment requisition form must be completed, signed by the Department Head, and forwarded to the HR office either prior to or with payroll forms. (Exception, SLU undergraduate student paperwork is done at the Financial Aid Office)
- ❑ Be SURE that the I-9 form is completed: if not done by the department the I-9 must be completed at the HR office, Vilas G2. Contact Louise Parks, ext. 5842.
