Please review the most current performance list from the NYSCTC web site and include (on this form) all athletes that are no longer competing on your team. Then fill in the event abbreviation for each event in which that athlete appears. Once submitted to the performance list editor, that athlete will be removed from the list in each of the events that are denoted on this form. This will provide a more accurate list for coaches to use to make their team's declarations and wild card decisions for the Indoor Championships.

Athletes: Last, First Name	Event Abbreviation	Event Abbreviation	Event Abbreviation	Event Abbreviation	Event Abbreviation	Event Abbreviation	Event Abbreviation

Note: Type only the event abbreviation for each event in which an athlete is being declared. Seed performances are already on the list.
